ALISA

ABOUT

Admit it, you've always wanted to be in a fairy tale. This is your chance, as Alisa, Alice's twin sister, will take you to the magic Wonderland called Croatia. An elegant combination of green color and dark wood on a blue sea is a stunning sight you will be seeing a lot during your cruise. Only positions will change. If you're more of a playmaking type, the aft is a perfect place for you. Either lying on a mattresses or feasting at a big table, you will have everyone and everything under your gaze. Even the Hare, if he drops by. Those preferring the front rows can occupy sunbathing mattresses on the front deck or jump into the crystal blue sea.

Full of windows and large openings, the interior will be as bright as the outside. The spacious and light lounge offers you a perfect place to avoid the sun during the hottest hours. A bar, television, WiFi, and lots of board and card games will keep you occupied while making your way to another heavenly beautiful bay. The ones feeling old can even take a nap in one of the six en-suite, air-conditioned cabins with double beds, able to accommodate 12 to 14 people. Come and experience all the wonders of our land with Alisa!
