

Gulet

ANDI STAR

## ABOUT

A star among the gulets, Andi Star is the right name for this sea jewel as it perfectly mirrors the sky above. Elegant white sails fluttering in the wind, the sound of the mighty hull breaking the wave crest will take you in the past but will at the same time enjoy all the modernity of our time. After a long morning swim in our beautiful sea, take a shower on teak deck, lie down on mattresses catching the sun and finish off feasting at a large table on the deck. You can do it in reverse order too. :) A large table with comfortable seats in the salon with a blue touch in design, along with the kitchen, television and our crew full of humor will be responsible for the entertainment inside. Andi Star has five cabins to accommodate yourself and your family and friends. Four of these have a queen-size bed and one cabin has two additional beds, fitting a large family or group of friends up to 12 people perfectly. Equipment for fishing, diving, jet skiing, water skiing, and canoeing will ensure an active holiday for those adventurous among you. For those more laid-back personas, there is an iPod connection, Wi-Fi and all sorts of games. We are sure you will be coming to taste some of our medicine!

---
