*ANNA MARIJA*

## ABOUT

If she was alive, and she almost is, you would propose to her right away as Anna Marija is definitely the one, so stop looking. Now. Right after hoping on deck, you can continue your leap on two big, white mattresses (more like beds) situated on both sides of the rear deck. A U-shaped sofa surrounds and protects the two tables as you will protect the food on it. Upfront the battle rages. Unrelenting Sun fries your every pore while lying on mattresses, and the only counter is to jump into the sea for swimming and kayaking or retreat to the comfortable lounge until the air cools off a bit. Fully equipped kitchen, TV, bar, and table for twelve await you to pass on time. Wi-Fi too, didn't forget! Downstairs, six en-suite air-conditioned cabins can accommodate twelve people. Two single beds, three double beds and one master cabin with one double and one single make it perfect for a family and friends. Your warm crew will make you feel as part of one big family, making sure you enjoy your stay and go home with a smile on your face and memories in your heart. If you decide to go back.
