

Gulet

*BABAC*

# ABOUT

Babac is not like any other gulet. It's similar to Transformer as its rear deck can close itself so that even the rain can't touch you. Not as it is going to rain when you are aboard... 😊 On that deck, on the wooden table or sofas next to it, you will enjoy in Dalmatian specialties made by our cook. On the front deck, mattresses await you to use them while you soak up in another Dalmatian specialty, sun. Inside, you will find the salon, fully equipped kitchen, TV, bar and a table surrounded by lounge area. Gulet Babac can accommodate 8 guests in 4 en-suite cabins with double beds. You can actively enjoy the beauties of the Croatian coast by using the equipment for fishing, diving, and kayaking. Our Crew, with their long experience and cordial approach, will make you feel like home and give you enough material to call your charter holiday "unforgettable". Welcome!
