ELEGANZA

ABOUT

Eleganza did not get its name in vain. It exudes elegance of old. The interior is no less attractive. On the covered rear deck this elegance will be shown by Dalmatian specialties which will fill you up but will as well take the elegant part from you. The front deck is the logical sequel to the rear deck, as on the mattresses you will reign for some time till the sun forces you to jump into the sea with your heavy load.

The adventurous ones are free to use the equipment for water skiing, scuba diving and fishing, jet ski, bike and canoe. If you are not a fan of adventure, you always have a Wi-Fi connection to stay in touch with the modern world.

The interior is no less attractive. The spacious lounge has a large table, TV, and bar for some refreshments.

Eleganza can accommodate up to 10-12 passengers in four double spacious cabins, one master, and one single cabin. All six cabins are air-conditioned, with en-suite bathrooms and paneled mahogany joinery and doors.
