NOSTALGIJA

ABOUT

Described as a "feeling of pleasure and sometimes slight sadness at the same time" nostalgia perfectly describes this boat and the mixture of feelings when you leave it after your journey. Nostalgija will captivate your senses and give you something to think about when you go home. Solution? Don't think too much or don't go home! ☺

Contemplate this problem while lying on the sofa or dining at the table situated on the covered rear deck, or just free your mind while nesting on the mattresses. Jumping in the crystal clear sea might help too. Stylish lounge in dark mahogany with a TV, bar, table, and couch will get you in the vintage mood, helped by a glass of Croatian wine. All sorts of card and board games await you to pass your time inside and Nostalgia's experienced and professional crew is always on standby trying to organize other activities, such as rafting or land sports, and making sure your needs were met in full.

Tired after all these activities, air-conditioned, ensuite cabins await you to make you cozy and ready for the next day. Three cabins are with double beds, and two of them have an additional bunk bed, meaning Nostalgija can accommodate up to 12 people. Let's start the Nostalgia!
