

QUEEN OF ADRIATIC

ABOUT

Let your miseries come to an end as we give you your best option for your holiday in Croatia. Gulet Queen of Adriatic is the one! Built in 2008, she is quite young for a queen, but a queen she is with her posture and bearings while sailing alongside her kingdom, Dalmatian coast, and islands. She reigns from Kaštilac, originally built as a fortress of a Benedictine Monastery in the 16th century. Queen of Adriatic is a family owned and managed boat, meaning she is taken care of as a member of the family, and family is everything for the skipper Ante and his crew. They will guide and pamper you with Dalmatian specialties laid on the table on the rear deck, all the way up to the front deck while lying on mattresses and catching the bright Croatian sun. Many water toys will ensure an active holiday, and for the ones itching for peace and quiet, there's a nice and cozy lounge waiting with lots of amenities. Six en-suite cabins (2 double, 2 twin and 2 double cabins with extra bed) on the Queen make sure that you will feel the hospitality of the crew and their beloved one. Queen of Adriatic and her crew are ready to make you happy and give you the bragging rights when you go back home!
