CESARICA

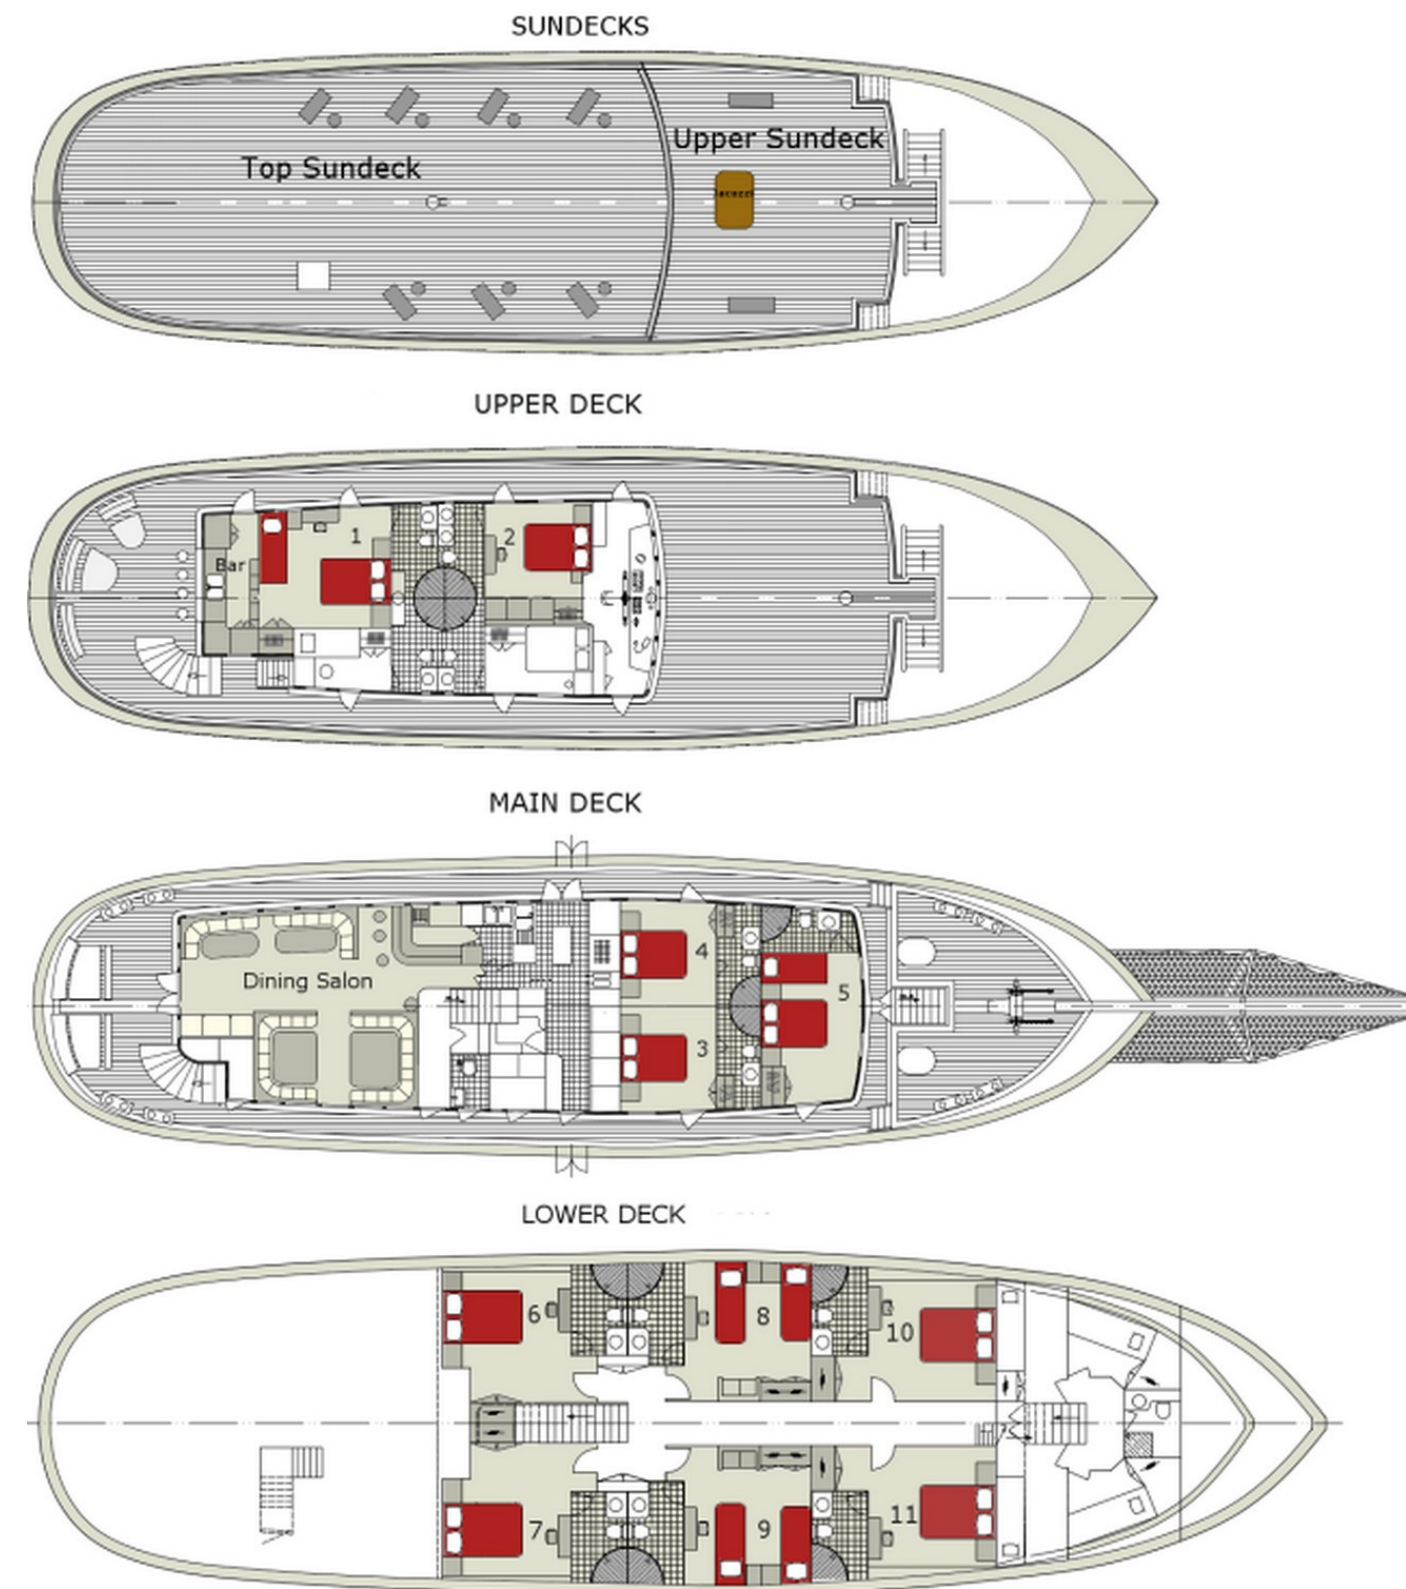

ABOUT

"Golden threads of a summer dawn came in her divine hall, to kiss my love of all. Let the light her face caress, the face of an empress, as I can not." These translated lyrics of a famous Croatian song "Cesarica" (eng. Empress) show the love of a man towards a woman. The same love has made motorsailer Cesarica what she is, a beautiful boat of a passionate owner. You will understand the song when you experience the dawn on one of the decks on Cesarica. Imagine waking up on one of the sun chairs on the top sundeck while the sun comes out of the sea, or relaxing in a jacuzzi located on an upper sundeck with your loved one. In the back on the main deck, you will find two beautifully designed wooden tables, surrounded with a semi-circle sofa and chairs. Yes, this is the place where you will practice your daily hedonism with delicious food, along with the food that will be laid on the tables inside the elegant and spacious salon. Prepare your bellies for a challenge! Spread across decks, 11 luxurious and comfortable cabins are ideal for groups up to 24 passengers. All en-suite and air-conditioned, with mahogany walls, marble floors, and TV these cabins will be your best friends upon bedtime. All of this will be emphasized by our outgoing crew who will show you around the boat and Adriatic to get to know your empire better. Welcome on Cesarica!
