

Motorsailer

BARBARA

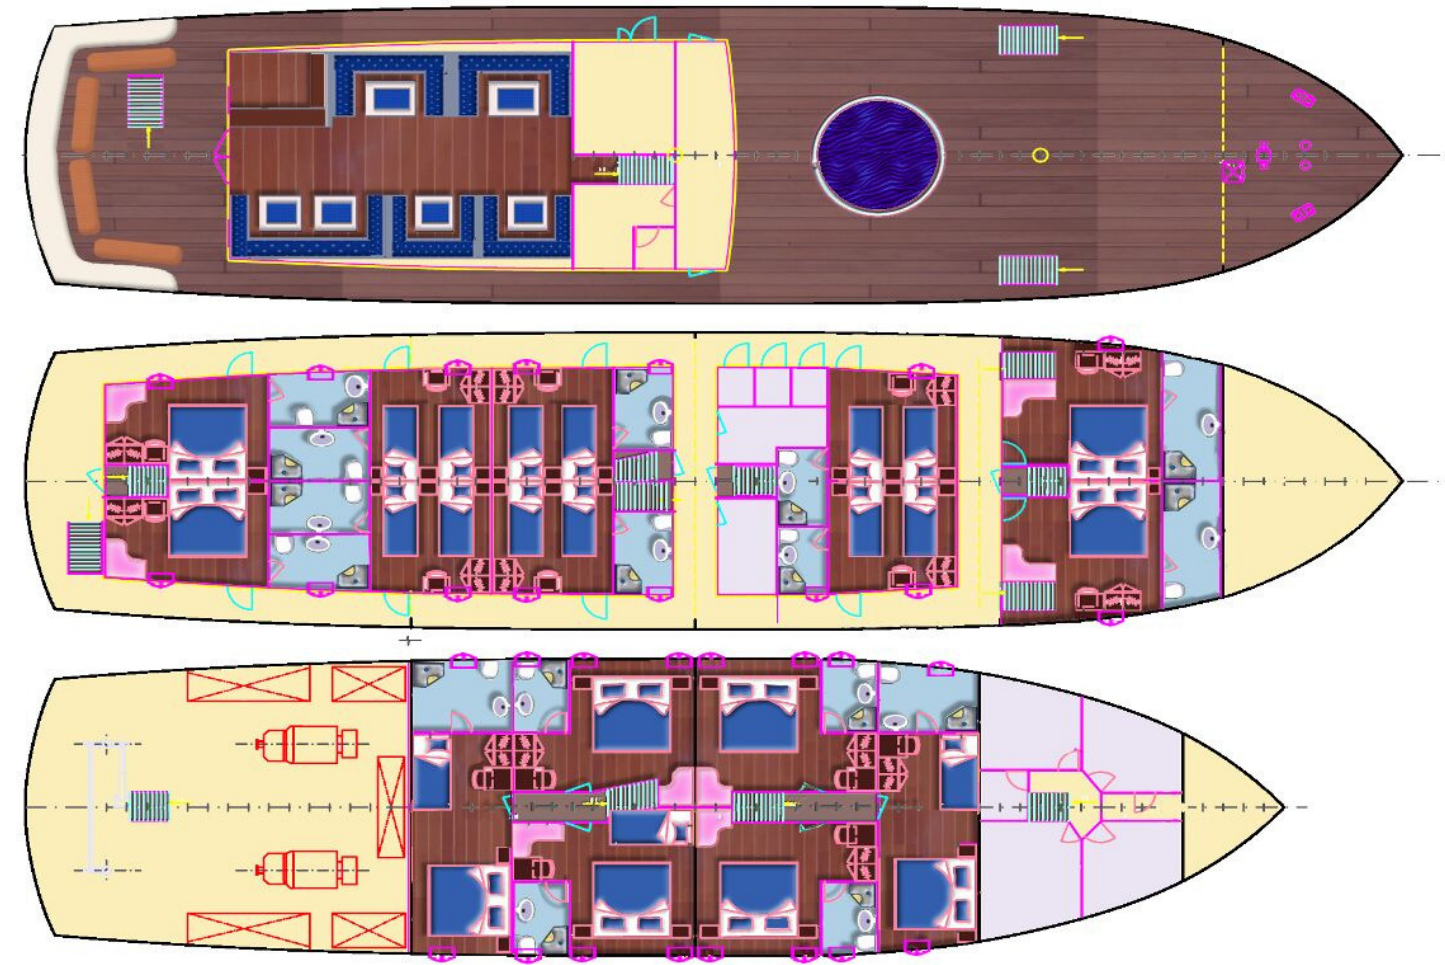

ABOUT

Designed for luxury cruising in Croatia, motorsailer Barbara enjoys the reputation of one of the best charter boats on Adriatic. Launched in 2006, she has delivered many memorable moments for people of all nationalities. Looking impeccable with its long white hull, big masts, teak and mahogany, Barbara has something for everyone. The tables and seatings on the back deck are a good starting point where you can taste all the Dalmatian specialties our chef prepares. The first impression is always better with a full stomach. Heading along the deck, comfortable mattresses await you upfront to give you all the support you need with doing nothing or reading a good book. Right behind them is the thing of interest and possible object of confrontation on Barbara. It doesn't matter if you are on Adriatic, a good jacuzzi is a "must have" even if you were in Heaven and there's one. No worries, we can organize a lottery to get the "winners of the day". Losers can take the mattresses on the upper sundeck if they want, or make use of all the water toys on Barbara. If you feel like getting out of the sun a bit, just head inside to the salon, grab a drink from the bar or take a bite of a cake or some snacks. Down below, you will find 10 double bed cabins on the main deck and 6 twin cabins on the lower deck. Pick your favorites, but we assure you they are all as comfortable as they get, all en-suite and air-conditioned. You can challenge the crew of seven to give you the best holiday ever as they are well up for it, capable of meeting your highest demands. Come and experience the Adriatic Sea in luxury of M/Y Barbara!
