ABOUT

Sailing yacht Navilux has been specifically designed and built for private charters, what makes it the top choice for your sailing holiday in Croatia. Launched in 2017, with 37 meters in length, Navilux is a spacious yacht which offers accommodation for a maximum of 12 guests in 6 superb cabins (5 double and 1 twin bed cabin).

Prepare yourself as you have to be a real decision-maker on Navilux. There are so many amenities and things to do on this heaven-on-water that sometimes it will cause a headache as you will not be able to choose only one activity.

Starting with an impressive exterior providing different areas for enjoyment as is the huge sunbathing and lounge area on the top deck, or the round spa on the main deck, perfect for doing nothing all day while the sun caresses your skin. Just be sure it won't caress it for too long. 😊 The aft deck with the dining table and chairs, sheltered from the sun, look and feel exactly like a refuge from the sun and a place to see what Navilux can offer in terms of food. And it can offer a lot.

As well as the outside, Navilux is modern and soothing from the inside as well. Beautifully balanced colors and lines, complemented with tasty design and stylish furniture create an elegant and soothing atmosphere.

Not that you will need them much, but the cabins are state of the art. Luxury stands out everywhere inside, from the stylish design, beautiful wood, all the way to the en-suite bathrooms. We know, when you need to rest from your fulfilled vacation day, it better be in cabins like these.
