LE MIRAGE

ABOUT

No need to rub your eyes and draw blood on them in order to know if this is real or not. Even though it can seem like a "mirage", Fata Morgana, and it is called Le Mirage, this boat is very much real. With a sophisticated exterior design and engineering, Le Mirage gives you goosebumps on the very first sight. The back deck will be your favorite place during the lunchtime as the round table in the shade can be the focal point for gastronomical pleasures on Le Mirage. After the meals just head upstairs on upper decks and enjoy in the sun lying down on comfortable mattresses or sit and have a coffee below the sun-cover at the back.

The inside of Le Mirage doesn't fall behind the outside as the interior décor depicts the style of a traditional English club with appropriate furnishings and an atmosphere of the old times especially emphasized in the saloon. A glass of rum or whiskey during the late night hours while the boat gently rocks on the sea will, even more, deepen this feeling of nostalgia and serenity. 10 is the number of lucky ones able to sleep in Le Mirage's 5 rooms. A master suite, 1 double cabin, and 3 twin cabins of exceptional beauty and style will give you the impression of sleeping in some old English mansion. Along with all the luxury, up to 6 crew members are there to ensure a relaxed and fulfilled stay on Le Mirage. Expect to be pampered on daily basis, we hope you won't mind! 😊
