ATLANTIA

ABOUT

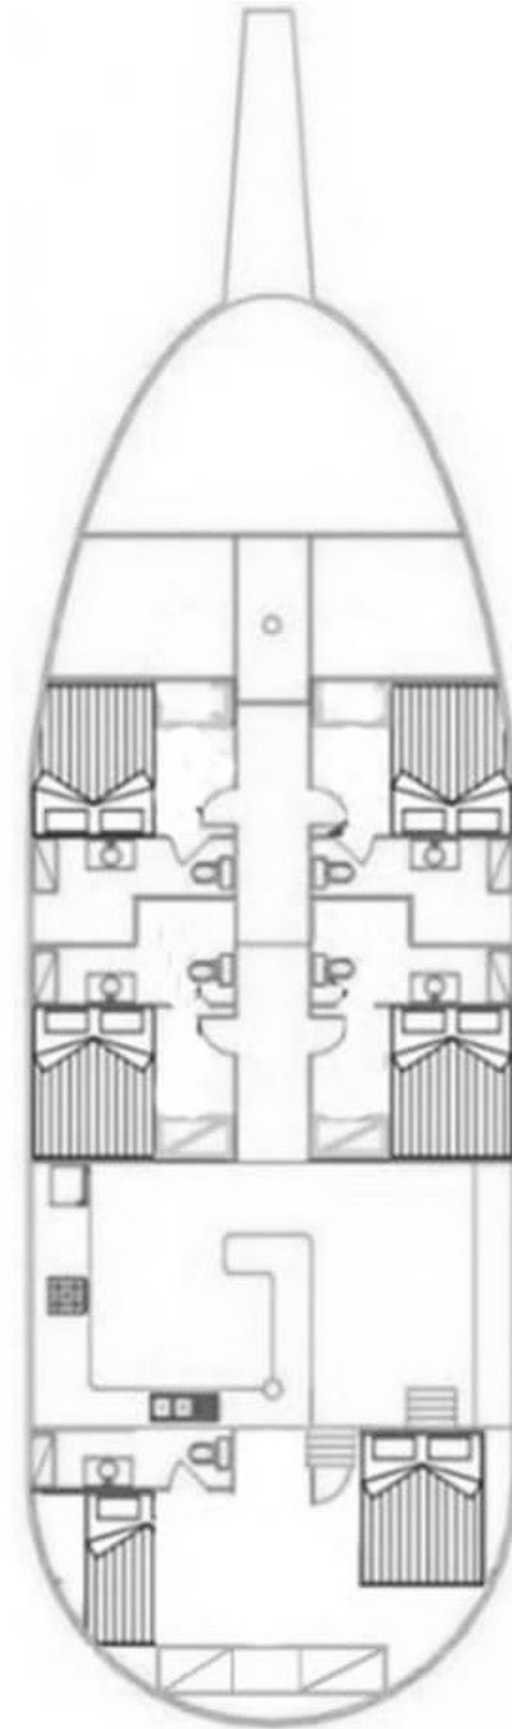

Looking for a traditional-looking and comfortable boat that can host your entire family and take you on a cruise around the Adriatic? Stop right now as we have a perfect match for you. "Atlantia" is the one. Resembling a seagull when you take a closer look, with the bowsprit as its beak, Atlantia definitely has the grace of a seagull in flight. Great white sails spread across as wings picking up speed on the wind and cooling you down while lying on the mattresses on the front deck...what else could you ask for? Maybe something to eat at the covered back deck, or you could take a canoe, snorkeling and fishing equipment or a surfboard to activate yourself on this cruise.

Inside, the cozy and elegantly furnished salon will dazzle you, especially when the sun glistens on the mahogany table. A perfect place for a drink or two under the air-condition in the warm summer night. 4 double and 1 triple cabin (double + single bed) with ensuite WC/shower and air conditioning able to accommodate up to 11 guests are all you need after a long day at sea. Our crew will take care of everything, you just need to relax and enjoy. Welcome to Atlantia!
