

Gulet

SLANO

ABOUT

Entering the world of charter in 2018, gulet Slano is one of the new boys in this business, but have already made an impression with its obvious qualities. Constructed in 1937, Slano was refitted in 2017 by a local family from Krilo Jesenice, Slano's main port. Its bright new look is something no one can resist. Modern amenities on the old bones will meet the needs of the most demanding customers. The table on the aft will become your favorite place on the boat, as the delicious Mediterranean food from a completely open kitchen will tease your senses along the "road"!

The next stop would definitely be the bow with mattresses and flybridge, perfect for enjoying a good book or playing card games in between swimming sessions. Only ten lucky ones can board Slano in four double bed cabins and a twin cabin in the bow with an entrance on the deck. Captain Bogoslav with his crew is the one that will introduce you to Croatia's beauties and make sure your needs are met in full during your time on Slano.
