

Gulet

# *ADRIATIC HOLIDAY*

# ABOUT

Spending holiday on the Adriatic is an interesting experience in itself but spending a holiday on the Adriatic on the Adriatic Holiday is something else. The name reveals that this gulet became one with the sea and knows all of its secrets. At least the captain does. Even though it's not, the back looking as if it's a luxurious motor yacht, the interior following along, and the service spicing it up, Adriatic Holiday definitely doesn't fall behind, if even better depicting that level with space and size. Couches and chairs around the table at the stern will nicely accommodate your behinds while waiting for the delicious food and wine being brought to the table. Calories gained can always be spent by using the water sports equipment or to be spread evenly and stored in your reserves while lying on sunbeds or enjoying a cocktail on the front or upper deck. The always welcome air-conditioning inside, combined with a pleasant and light look of the saloon will pull you in few times during the day, but the cabins are the ones drawing the attention away. A master cabin, two double cabins, and two twin cabins in a combination of light, wood, and white linen embroidered in golden tones are the ones to embrace your tired mind and body after an eventful day at the sea. Adriatic Holiday is the holiday you need!
