Gulet

MALENA

ABOUT

Although named Malena, meaning "The Little One", this gulet isn't small at all. Spacious, comfortable and practical, Malena provides everything you need with Adriatic spirit. The covered back deck protects you from the Sun while dining, and provides a great relaxing place on a wide sofa, perfect for throwing yourself on after a long lunch. The front deck doesn't fall long behind having mattresses for sunbathing, and someone's favorite, reading a good book while sailing.

The inside salon with a small coffee table and seating set around it is suitable for having a quick aperitif before going out in a refreshing night. Five cabins on Malena can accommodate 10 people. Four of them with a double bed and one with twin bed, all en-suite, give you a comfortable place to sleep (not that you have to sleep while having fun on vacation), and a perfect refuge in times of great heat.
If you are the adventurous type, you can try scuba diving, canoeing, and skiing with equipment provided on board. If you are a more laid-back type, you can always enjoy the natural and historic attractions of the Croatian coast and islands.
