

Gulet

DONA

ABOUT

She's a lady! Oh, oh, oh she's a lady! Or a mistress which can mean a lot of things and we know which one comes on your mind first... When you see gulet Dona for the first time you will easily understand the elegance and the passion behind this boat and its owner. It glides through the waves like a dancing woman.

The stern serves as your favorite consumption place (and there will be consuming as the chef insists on clean plates after the meal, decorations and all) and on the bow, the sunbeds will escort you to the world of dreams as the lady glides on the Adriatic. Inside, the cozy saloon with warm wood colors and full of light is great for some small talk during the day, aperitive or two in the night, or breakfast in the morning. Down below, in five en-suite air-conditioned cabins, is where the magic happens in the short summer nights. One can be a do(mi)na or the subject, that's up to you, but the romance is guaranteed either on the deck or below.
