

Gulet

BARBA

ABOUT

As one of the longest gulets in Croatia, gulet Barba with its 42 m is spacious and comfortable enough to host your friends and family. Two large decks on two levels provide everything you need while sailing along the Croatian coast. At the back of the main deck, a table and large sunbathing area are the main attractions, eating and lying down always a popular thing to do, dating from Roman times. The front gives you more options in sun mattresses and various sea toys such as canoe, bicycle, Jet Ski, equipment for water skiing, and paddle board to entertain yourself with. On the upper deck, a round table and circular cushioned seating area give you an opportunity to catch a cool breeze during the hot summer nights, while drinking cocktails or dome fine domestic wine.

The inside doesn't fall far behind. An air-conditioned lounge is a nice start upon entering. Six comfortable en-suite cabins with air conditioning vibrate with blue details, soothing the sore eyes after the bright sun outside. Anyway, you won't be spending much time in them, as all the beauties outside, as well as our funny, communicative and experienced crew, will occupy most of your time during the cruise. Come and check it out, you won't be sorry!
